

We're committed to providing high product quality and service that exceeds our customers' expectations.

Rise to the next level with our lift ropes

At Total Rope Solutions we have a huge range of lift ropes and fittings.

We stock lift rope from 6.5mm up to 19mm and we can offer a full range of fittings including:- Wedge Sockets to BSEN 13411-7, Lift Eyebolts to BS 5655 part 8, Din 13411 grips and special pin size thimbles.

All our ropes come with test certificates and are fully compliant with BSEN 12385 and all of our fittings are compliant with the relevant BSEN Standards.
