

We're committed to providing high product quality and service that exceeds our customers' expectations.

Small cords for a wide spectrum of applications

Total Rope Solutions have a wide range of small diameter wire ropes. We stock from 1mm upto 8mm in a variety of constructions 6x7, 6x12, 7x7, 6x19, 7x19, 6x36, 19x7 in many finishes such as galvanised, stainless and PVC covered.

To compliment these ropes we also stock a comprehensive range of wire rope fittings to suit all possible applications and we can manufacture any special end fittings in our machine shop.

All ropes and assemblies come complete with test certificates and are manufactured strictly in accordance with the relevant BSEN standards.
