

We're committed to providing high product quality and service that exceeds our customers' expectations.

Let our ropes take the weight

At Total Rope Solutions we have the rope for your needs, we are one of the largest UK suppliers of wire ropes. We stock an extensive range of steel engineering ropes, stainless steel ropes and galvanised ropes all available in all sizes and constructions (1mm to 52mm).

We have over 50 years experience supporting a large variety of industries including:- MOD, nuclear, engineering, construction, fishing, marine, and elevator, as well as many others.

Our dedicated sales staff are on hand to advise and support our clients. All our products come with test certificates meeting the relevant BSEN standards and comply fully with insurance requirements.
